

# CONNECT YOUR CLIENTS TO THE BENEFITS OFFERED THROUGH TRANSAMERICA WORKSITE MARKETING

As an employer, you are continually seeking new and innovative ways to manage and provide your employees with exceptional benefits and services. Transamerica Worksite Marketing and Robert Jackway & Associates, Inc. wants you to consider the products in our diverse portfolio as you navigate through the development of these benefit services.

## Consider TransConnect...

TransConnect is a group supplemental out-of-pocket medical expense indemnity insurance policy that complements the group's existing major medical insurance plan. This policy provides an option to increase the major medical deductible and/or employee co-payments and thus lower the overall premium cost of the medical plan. TransConnect is specifically designed to pay inpatient or outpatient deductibles, co-insurance, and co-payments from serious illnesses charged by your group's comprehensive medical plan.

## Features of TransConnect include:

- ▶ Guaranteed Issue
- ▶ Inpatient Hospital Stays
- ▶ Outpatient Benefits
- ▶ Radiological Diagnostic Testing (*Outpatient Facility or MRI Facility*) benefit does not cover lab fees
- ▶ No pre-existing conditions
- ▶ Physician's in-hospital charges
- ▶ Ambulance Benefit – Accident Only

If you are interested in how TransConnect or other products offered through Transamerica Worksite Marketing and Robert Jackway and Associates, Inc. can help you build a total solution package for your employees, please give us a call.
